Description:

As part of the Federal Bar Council's Access to Counsel Project, and in partnership with NITA and the ACTL Downstate New York Chapter, the Council is pleased to offer an intensive NITA Trial Skills Training program for attorneys who represent or agree to represent civil pro se litigants in the SDNY and EDNY. This program will focus on direct and cross examinations and impeachment.

NITA's signature "learn by doing" method provides a strong foundation and gives participants the opportunity to hone and develop their deposition skills in a supportive, small group environment with focused evaluation and feedback from our NITA-trained instructors.

This program is FREE and limited to 20 participants. We will offer a waiting list once registration is full.
